

To all established and emerging COMPOSERS:

As we prepare to celebrate our 50th anniversary, ACNMP enthusiastically invites you to:

- **submit your compositions for consideration to be included in our Contemporary Showcase Syllabus for the 2017 season.** Compositions will be reviewed by a jury. Please submit your compositions in a PDF to info@acnmp.ca, as well as your publishing information and a recording if one is available. The **deadline** for submissions is April 30th, 2017.
- **become a member of ACNMP.** Annual membership is \$40, and allows you to help us promote and preserve Canadian contemporary music. A tax receipt will be issued for the membership fee and for donations of \$20 or more.

ACNMP's MISSION

To commission, promote, and preserve Canadian contemporary music as a cornerstone of our national heritage by fostering its performance among students, teachers, and performers through education, festivals, and workshops.

Please visit acnmp.ca to learn more about our many projects.

ACNMP's predominant event is **Contemporary Showcase Festival**, a non-competitive festival devoted entirely to music by Canadian composers. This annual festival held during Canada Music Week features:

Student Workshops

Student Composer Workshops • Children's Choral Workshops • Orchestral Workshop
String Ensemble Workshop • Wind Ensemble Workshop • Composing in the Classroom

Student Composition Class

Part of the Contemporary Showcase Festival, this is a national class for students of various ages and levels. It encourages and promotes young composers of today.

Outreach: Teacher Information Sessions

When funding permits, national tours featuring a Canadian composer provide general information, lectures, and Showcase demonstrations for teachers, parents, and students.

Syllabus

A syllabus of graded music for 21 different instruments, choir, and brass, chamber, string, and wind ensembles is kept current and is an important resource for students of Canadian music.

Commissions

ACNMP has commissioned more than fifty new works since its inception, many from Canada's leading composers.
